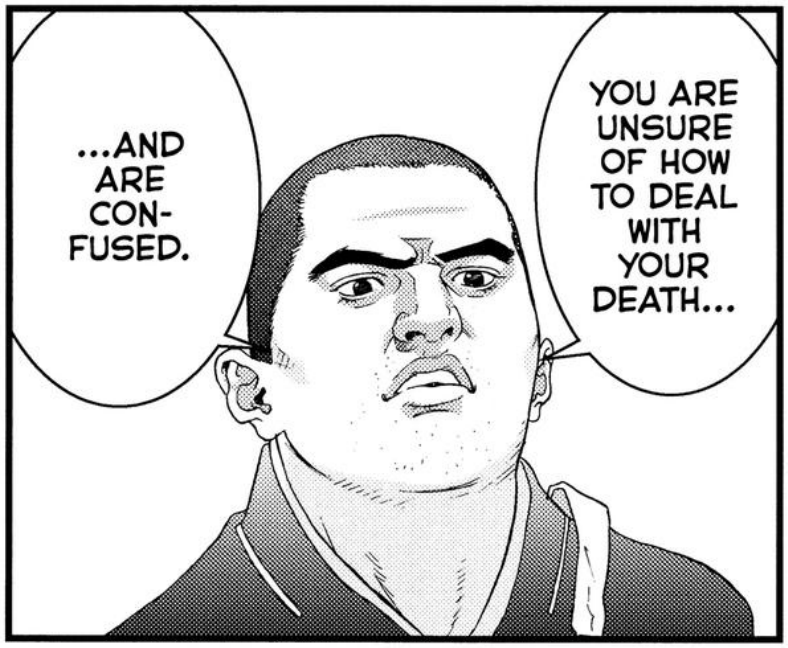
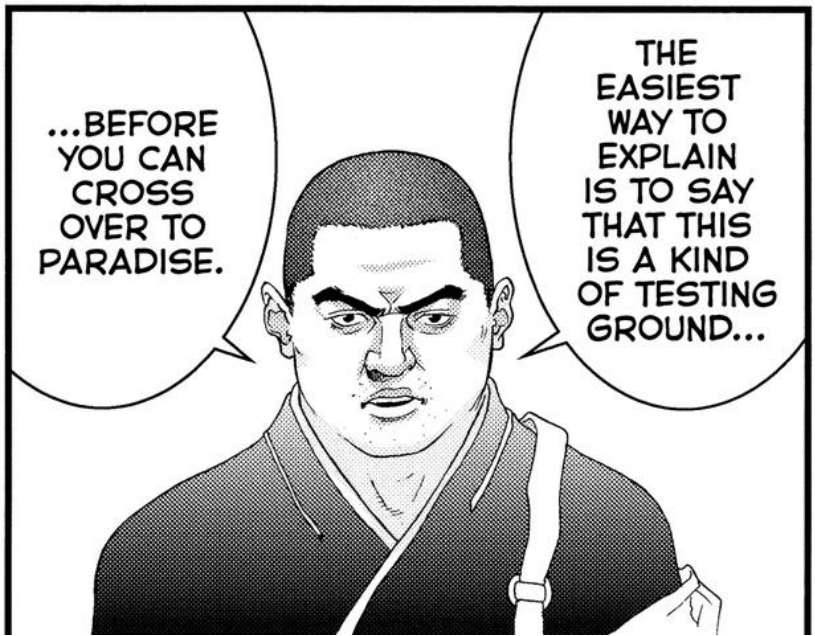
I'LL ANSWER THEM FOR YOU.



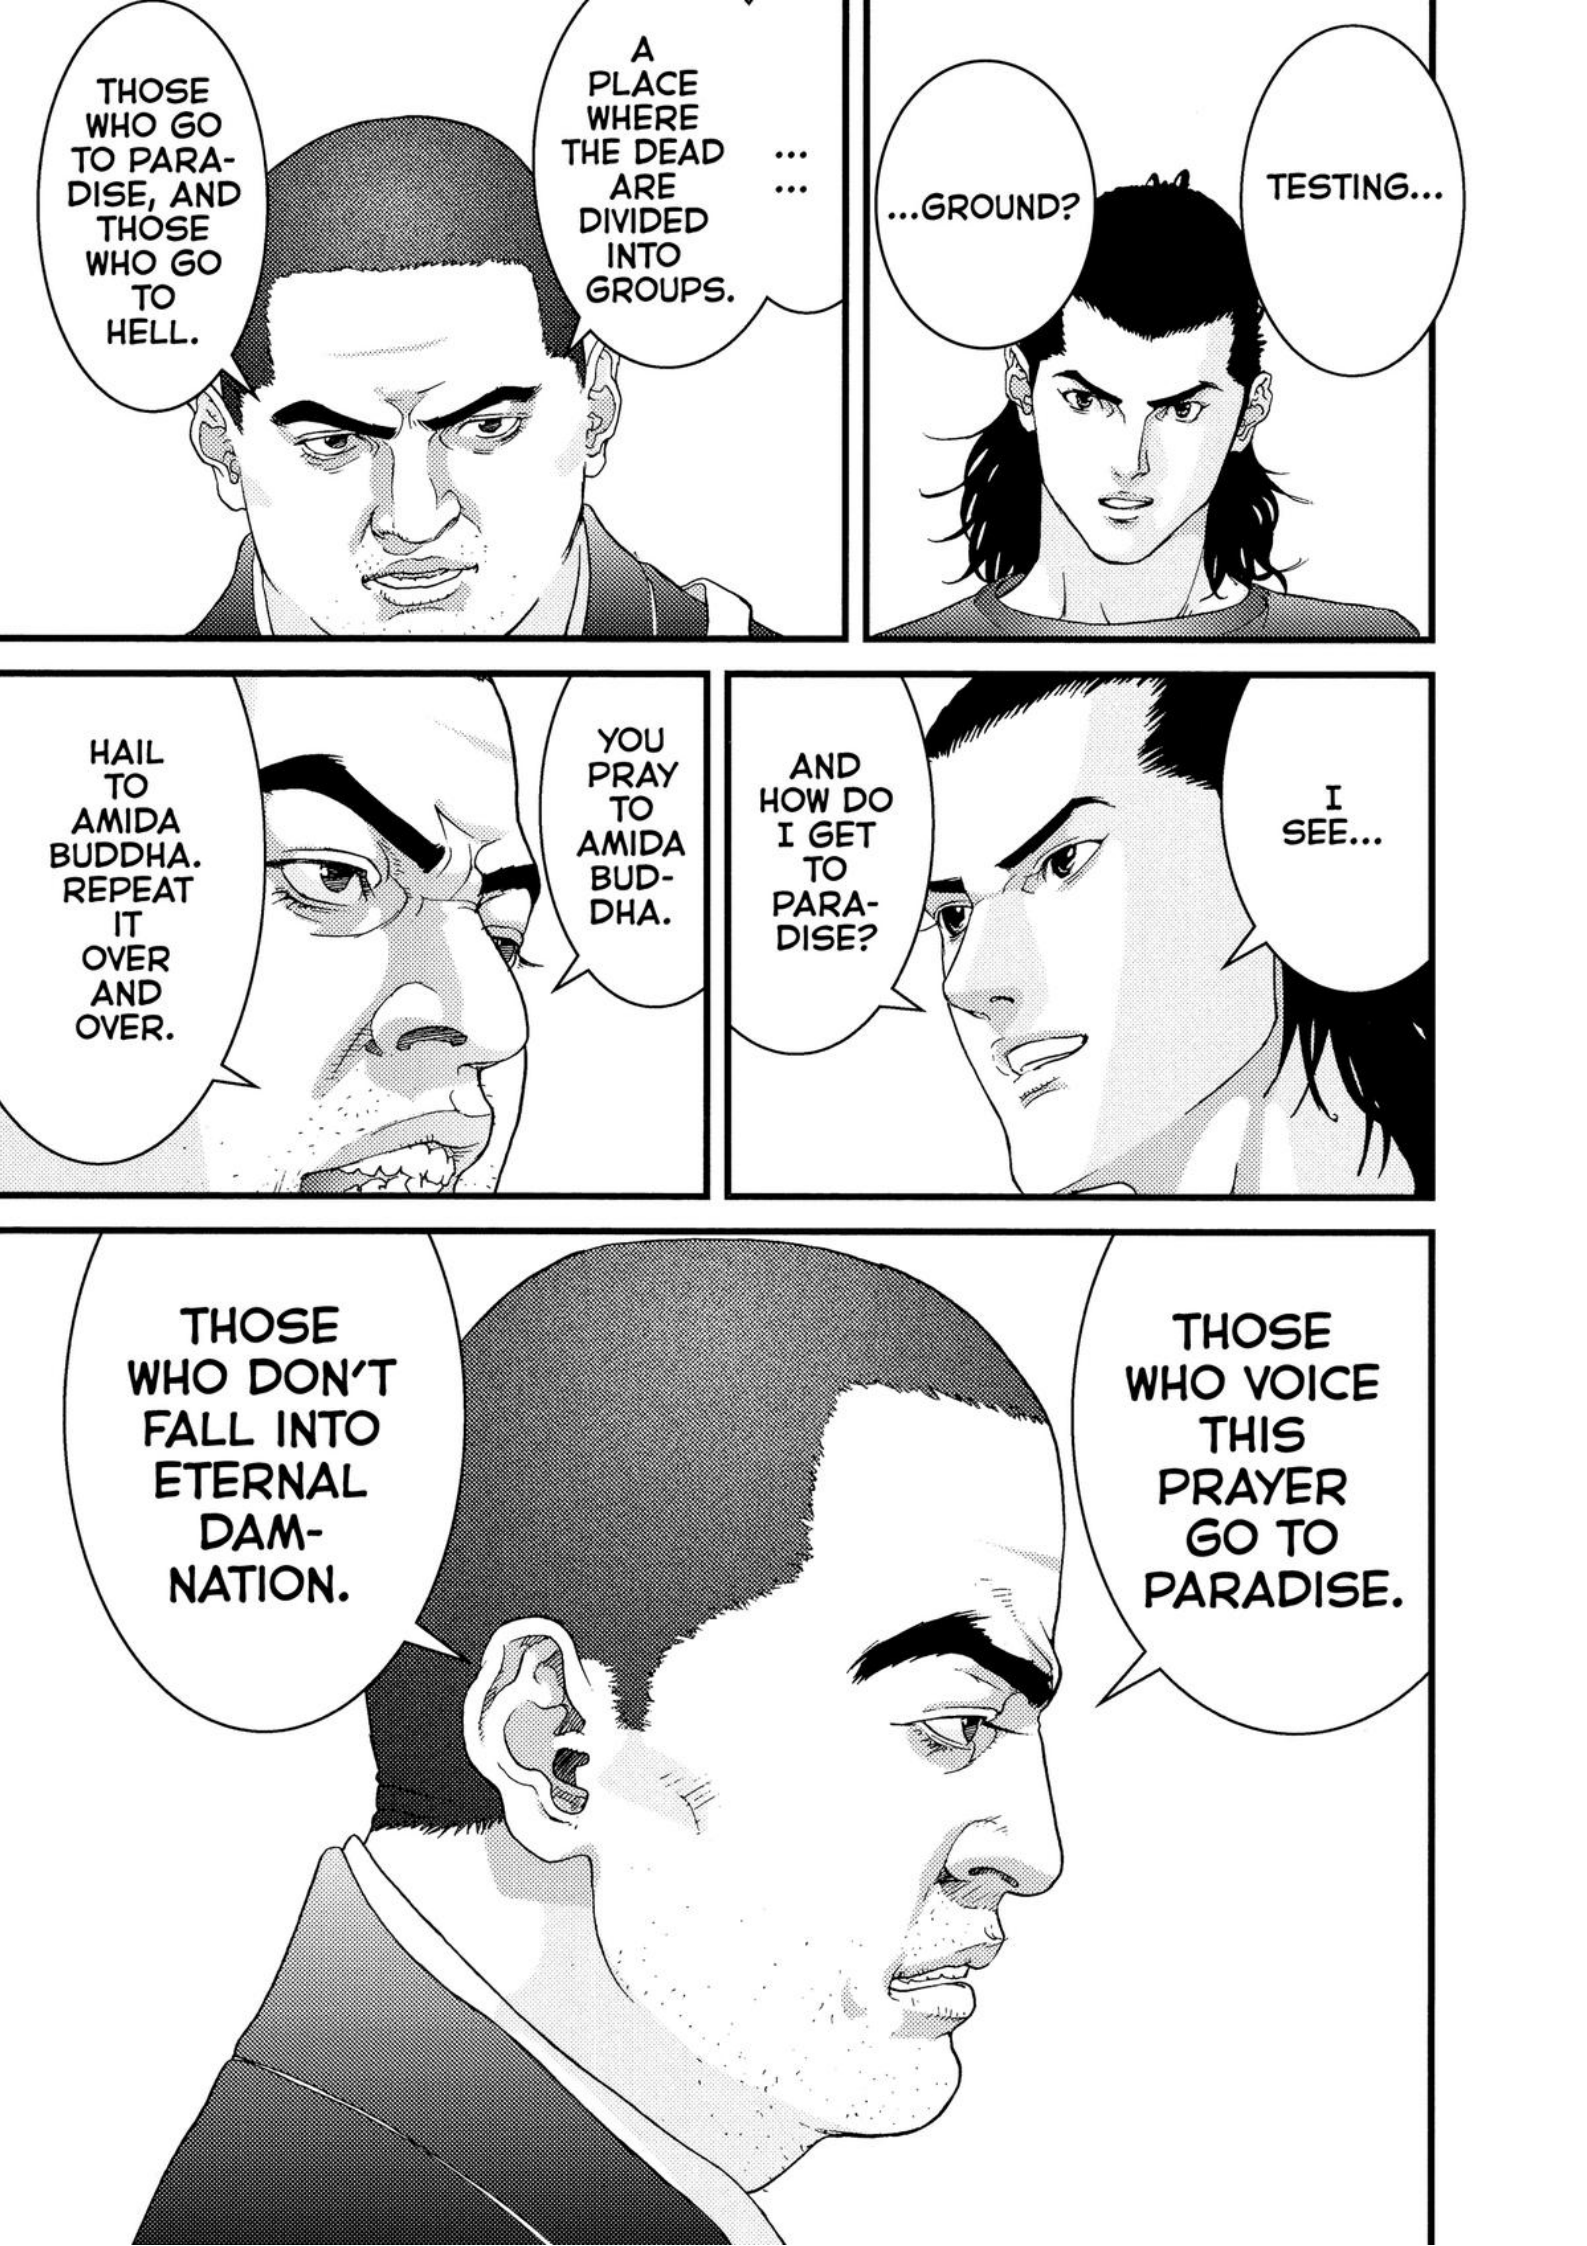
YOU ARE UNSURE OF HOW TO DEAL WITH YOUR DEATH...
...AND ARE CON-FUSED.

HEY. THAT PRIEST.
I RECOG-NIZE HIM FROM TV.



THE EASIEST WAY TO EXPLAIN IS TO SAY THAT THIS IS A KIND OF TESTING GROUND...
...BEFORE YOU CAN CROSS OVER TO PARADISE.

... ...
WHERE ARE WE?

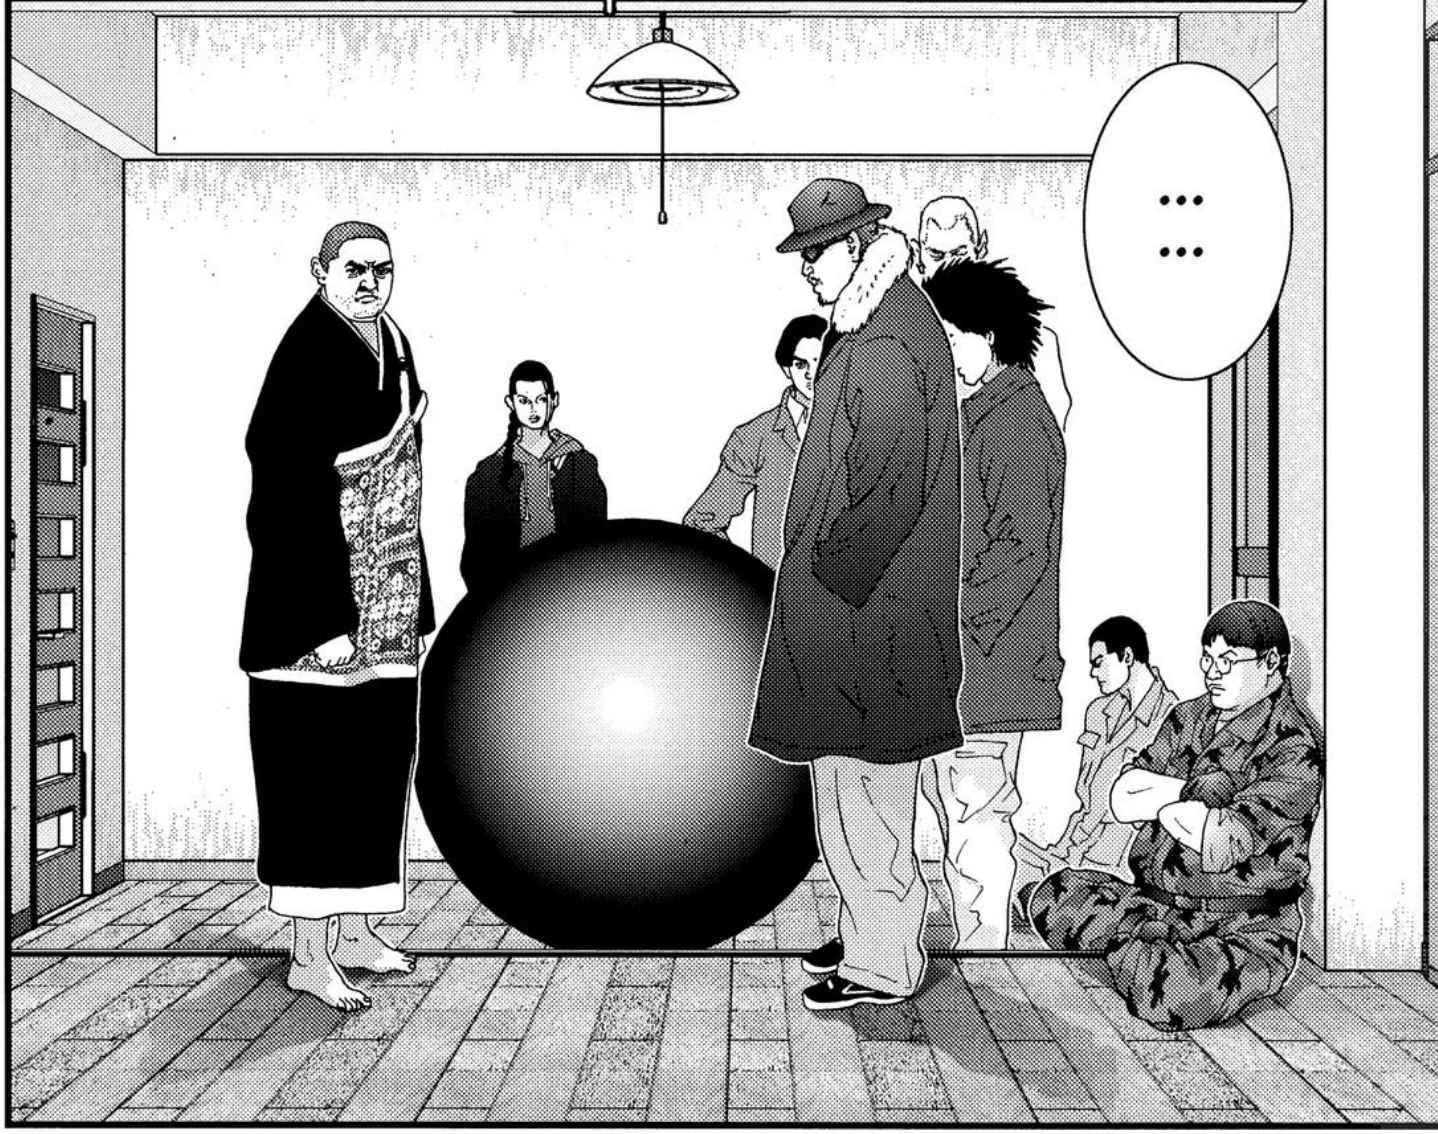


THOSE WHO GO TO PARA-DISE, AND THOSE WHO GO TO HELL.
A PLACE WHERE THE DEAD ARE DIVIDED INTO GROUPS.
... ...
...GROUND?
TESTING...
HAIL TO AMIDA BUDDHA. REPEAT IT OVER AND OVER.
YOU PRAY TO AMIDA BUD-DHA.
AND HOW DO I GET TO PARA-DISE?
I SEE...
THOSE WHO DON'T FALL INTO ETERNAL DAM-NATION.
THOSE WHO VOICE THIS PRAYER GO TO PARADISE.

I'M NOT SURE HOW YOU CAN SAY THAT...
...WITH SUCH AUTHOR-ITY.
BUT PRAYERS TO AMIDA...
...AIN'T GONNA HELP.

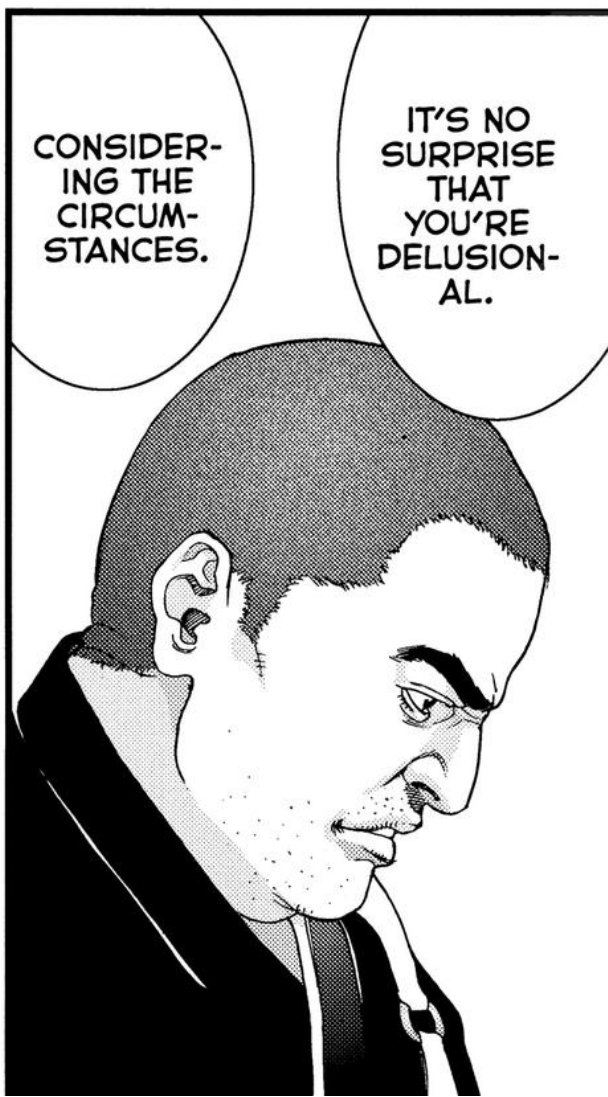
THIS PLACE HAS NOTHING TO DO WITH PARADISE.
THOSE WHO ARE HERE ARE NOT DEAD.
YOU'RE ALIVE. ALL OF YOU.

!!
?!
ALL OF YOU. YOU'VE BEEN GATHERED FOR SOME KIND OF HUNTING GAME.
YOU'RE ALL STILL ALIVE, BUT IF WE DON'T WORK TOGETHER, YOU WON'T SURVIVE.



...
...

HA HA HA HA!



IT'S NO SURPRISE THAT YOU'RE DELUSIONAL.
CONSIDERING THE CIRCUMSTANCES.

IF THIS IS... WHERE WE GO...
...BEFORE GOING TO HEAVEN...
...THEN IT DOESN'T MAKE ANY SENSE.
I MEAN, LOOK... THERE'S TOKYO TOWER.
THIS DOESN'T SEEM ANY MORE SPECIAL THAN AN ORDINARY ROOM IN A NORMAL APARTMENT.

"ALL OF YOUR OLD LIVES ARE GONE."
"NEW LIVES." NEW LIVES?
HOW TO "USE" THEM?
WE'RE GONNA BE USED?
"I"? WHO'S "I"?

WHEN I SAW YOU CRYING...

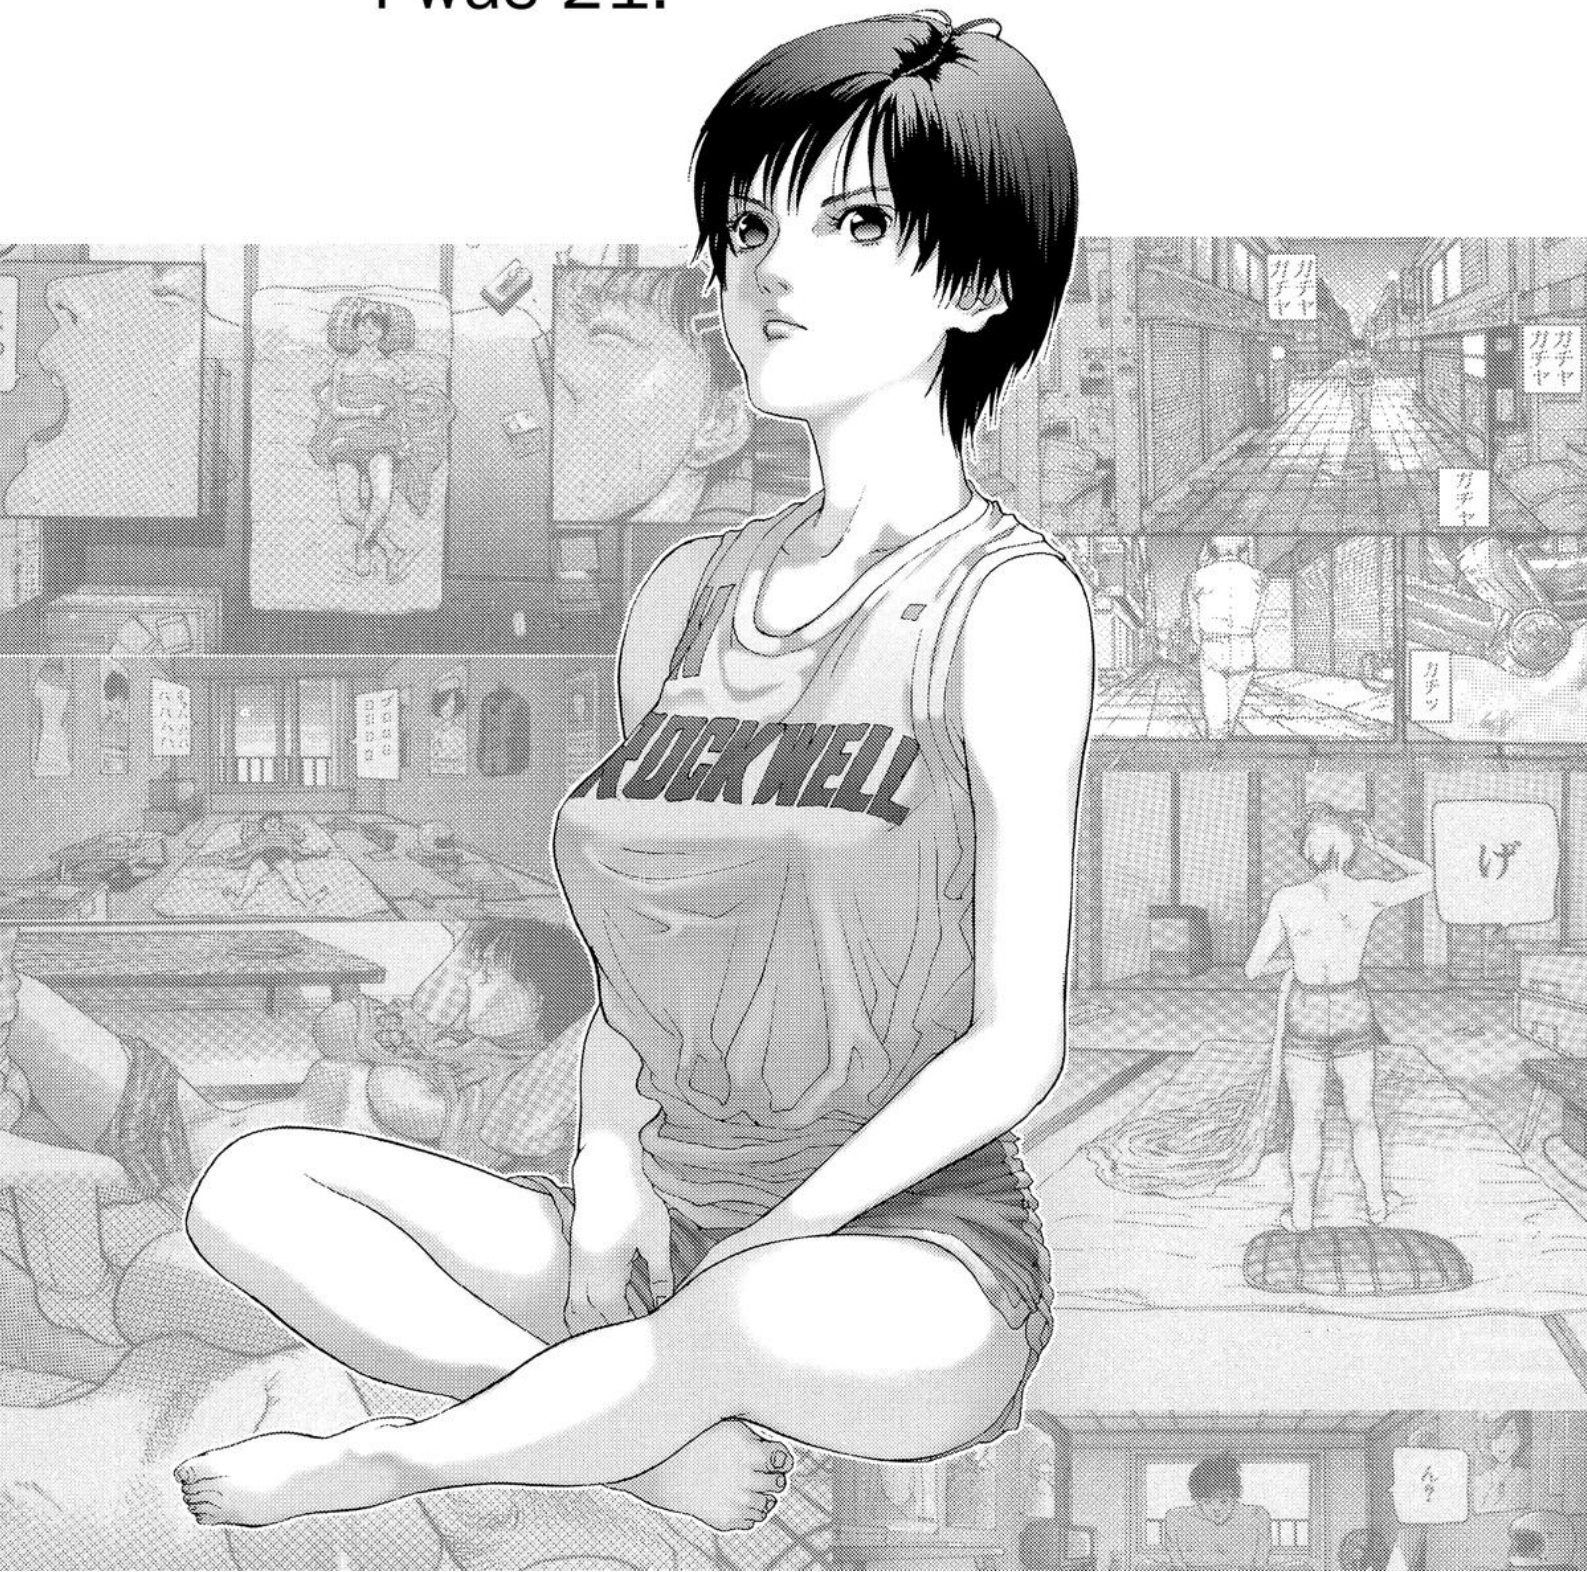
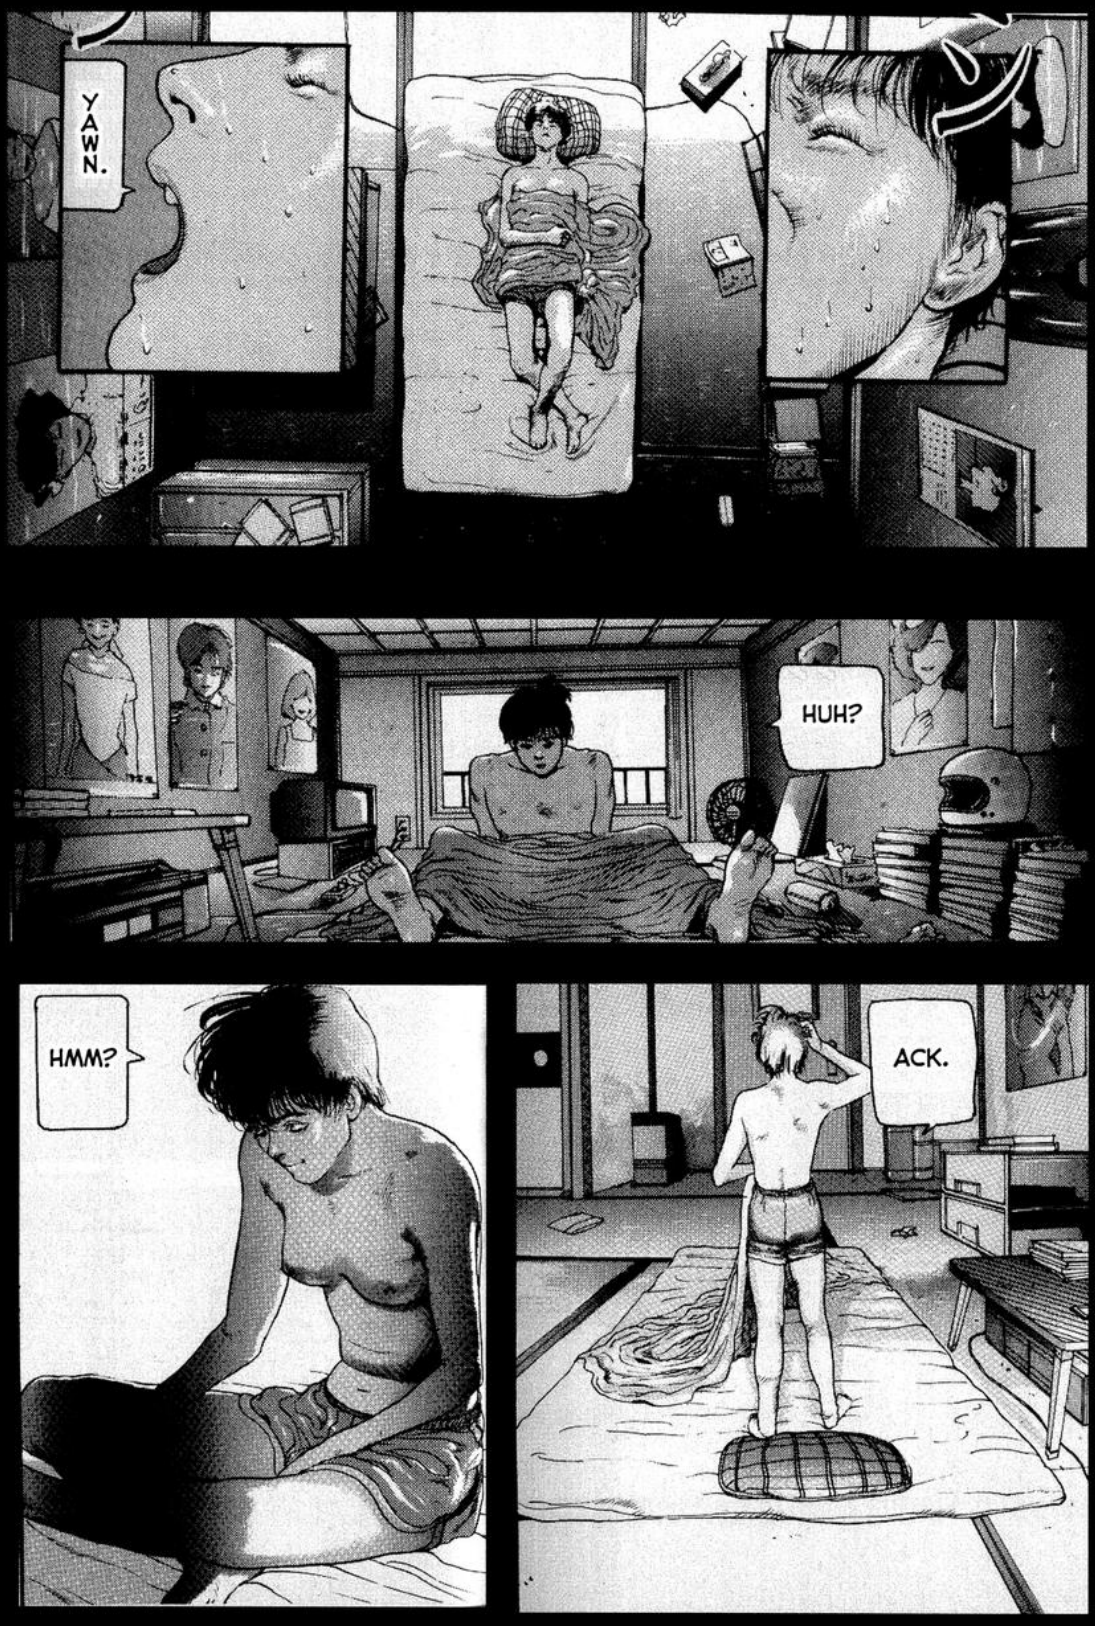
❺GANTZ-(THE END)

“Hen” (“Change”) was my debut.

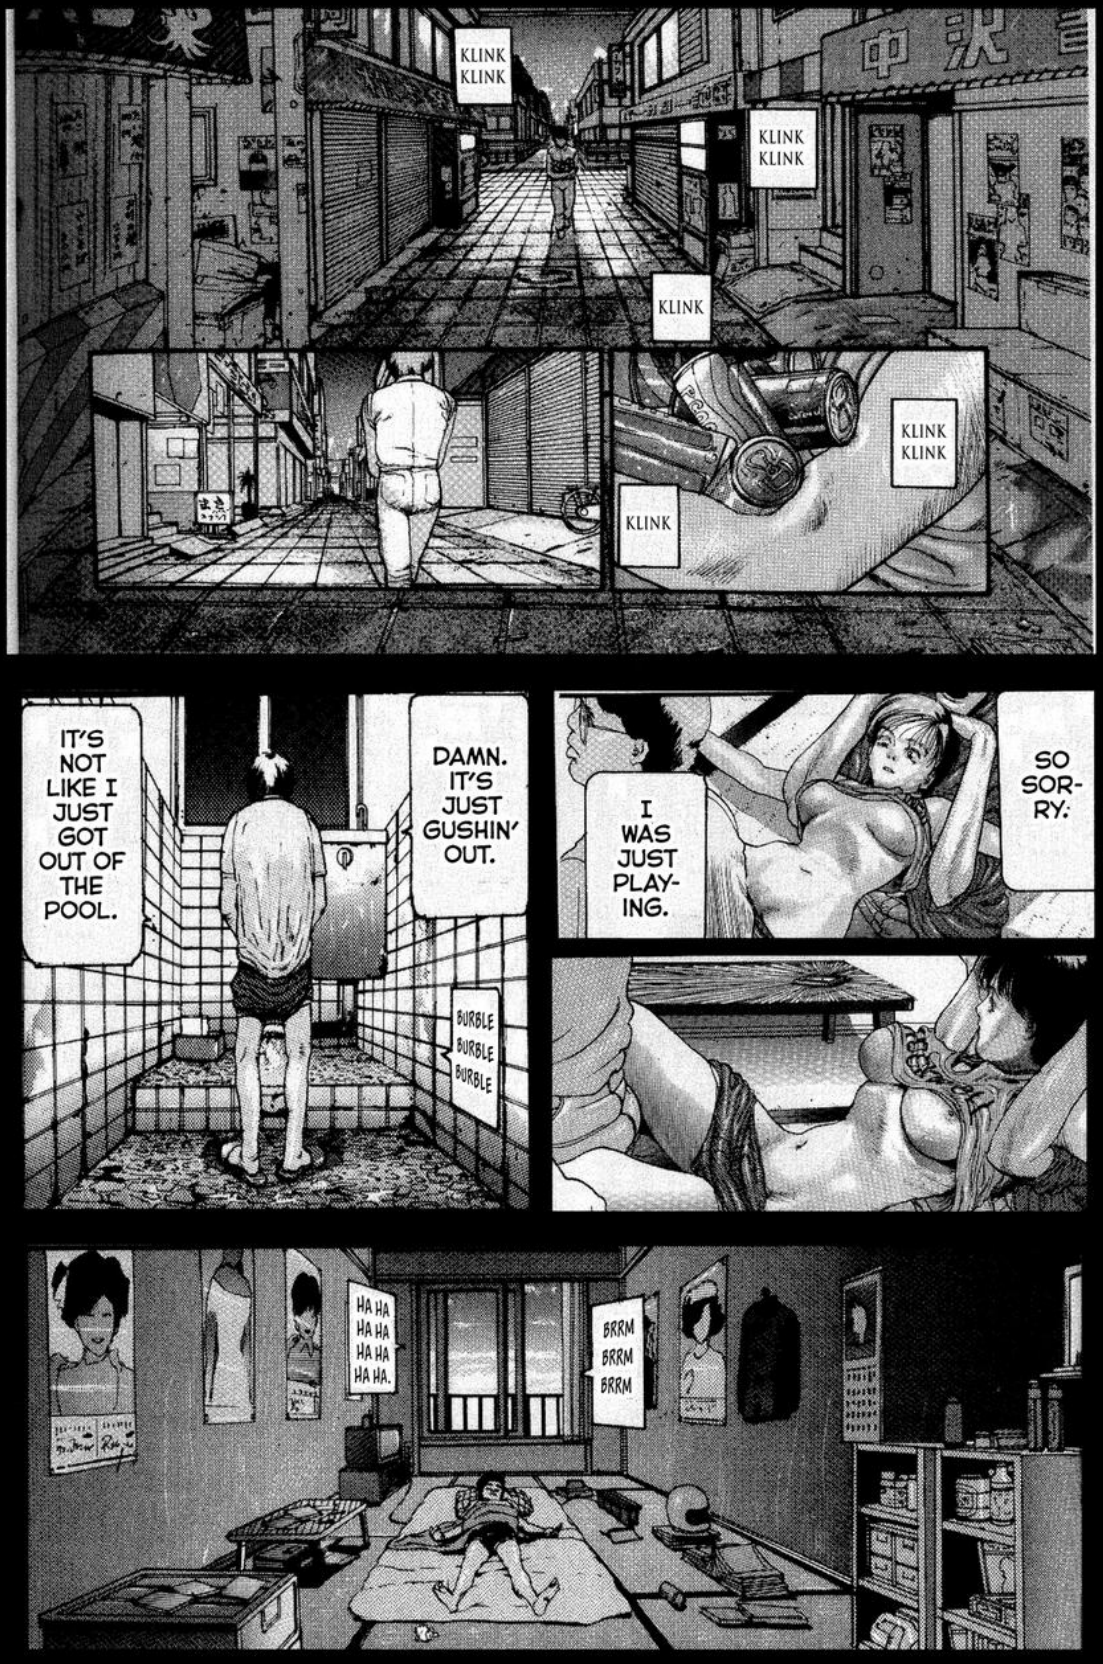
I wrote it all by myself during a hot summer month when I was 21.





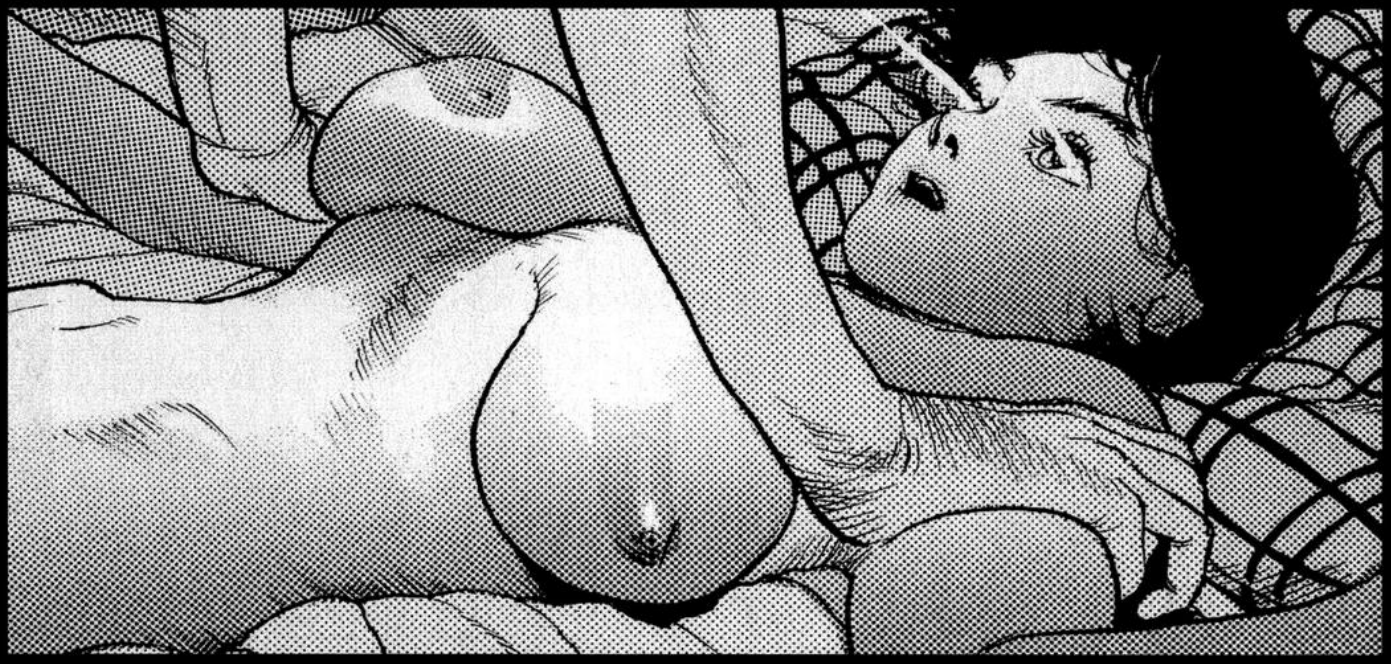
The story's about a man who becomes a woman. A common topic, but I wanted to make it a little more realistic than others, so I paid special attention to the passage of time and the acting of the characters.

There was a movie called *The Fly* at the time, and I guess it had a strong influence on me. Anyway, there was a lot of trial and error to come up with expressions that were uniquely my own.



I spent my entire time working on the tone of the piece. It was fun trying to figure out where to put each item in relation to the direction of the light, but then I noticed that I only had three days left until the deadline for the award submission and I had to do the final 15 blank pages at a breakneck pace.

I'd been looking at nothing but screen tones for so long that even when I went outside it seemed as though the landscapes had been toned as well.



It was scenes like this that had other artists talking.

The arcs that show the afterimage of the nipples give a sense of motion to the breasts.

The effect has become quite common among artists who draw porn manga.

I bet they're not even sure where it came from.

Anyway, I was a little chagrined to have spent all that time just to have everyone talk about the breasts.
